

Dairy Free Cooking: Tips on Healthy Eating Following Cancer

By Whittaker, Lois

Evans Mitchell Books. Paperback. Book Condition: new. BRAND NEW, Dairy Free Cooking: Tips on Healthy Eating Following Cancer, Whittaker, Lois, This cookery book is full of tips and advice about adopting a dairy-free diet, what you can and can't eat and how to adapt recipes so that you can still enjoy chocolate, cakes and the occasional treat, as well as make great meals for all the family without constantly having to cook something separate for yourself. It includes over 50 delicious recipes from soups, starters and salads, risottos and pasta sauces, fish, meat, chicken - and of course a selection of delicious desserts. All the recipes use readily-available ingredients and are written in an easy step-by-step style. This is a real lick-the-spoon sort of cookbook to encourage people to get cooking! Why dairy free nutrition plays a big role in fighting cancer and cow's milk is increasingly being linked to certain cancers, due to the hormones and other growth factors found in milk. In addition lactose intolerance is on the rise, affecting 10 per cent of north Europeans and 50 per cent of Mediterraneans. This book shows how to eat dairy free and still enjoy those treats. No need to...
