

## Flora of Nebraska, Vol. 1 (Classic Reprint)

Filesize: 2.33 MB

### ***Reviews***

*A whole new eBook with a brand new point of view. It is definitely simplistic but shocks in the 50 percent of the publication. I am just pleased to explain how this is the greatest ebook i have read during my very own daily life and could be he best ebook for possibly.*

## FLORA OF NEBRASKA, VOL. 1 (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from Flora of Nebraska, Vol. 1 In the prospectus issued in December last a general statement was made of the plan and purpose of this work. As was there stated, the Seminar hopes to be able to put before the botanists of the state, in one work, a complete flora of Nebraska, and thus to enable them to do work that otherwise they could not do except by investing several hundred dollars in books, which even then would but imperfectly cover the field. The work is primarily intended for the people of the state, and for that reason the parts here presented do not pretend to be monographs of the groups dealt with and do not attempt exhaustive treatment. The method of dealing with the several groups will, however, vary more or less according to the tastes of the authors of the parts in which they are treated of. In cases where two consecutive parts dealing with related groups are ready for publication at about the same time, as in the present case, they will for convenience, be put forth together. But the order in which the parts are numbered will have no relation to the order of publication. Each part will be published when prepared. Owing to the small number of Pteridophytes and Conifers reported for the state, it has been thought best to alter the plan announced in the prospectus by uniting parts 16 and 17. A catalogue, to which will be added a host-index to the parasitic fungi, will be published as part 25. Changes in nomenclature and the large number of subsequent additions to our reported flora have rendered a new...
