Booksurge Publishing, United States, 2006. Paperback. Book Condition: New. 201 x 132 mm. Language: English . Brand New Book ***** Print on Demand *****. the Plant is a gripping tale of the near future, on a global scale, and follows the story of two friends - Johnson, the businessman, and Smith, the dreamer, both staunch supporters of Marijuana and Hemp legalization - who had founded an activist magazine in the 1990s. Smith had become disillusioned with the seemingly unwinnable struggle, and disappointed with American society and its resistance to change, even when it means dramatic improvements to the economy and environment. Nearly two decades later, Smith returns from the depths of seclusion to discover that the world is nothing like what he left behind. From the Author, Dan L Dudgeon The story within the Plant spans over twenty years, and encompasses the recent past, the present, and the possibilities for the future. And although the cultivation of Industrial Hemp as a natural resource is not my only desire for the future of America, and inevitably the entire planet, I feel it is a very significant one. The question posed by the book is: Can one plant...
