### ***Reviews***

*Definitely one of the better publication I have got possibly read. It really is writter in basic phrases and not difficult to understand. You wont sense monotony at anytime of your respective time (that's what catalogs are for about if you request me).*

## LIZZIE SIDDAL

Nick Hern Books. Paperback. Book Condition: new. BRAND NEW, Lizzie Siddal, Jeremy Green, A gripping historical drama charting one woman's dazzling trajectory from model to lover to artist, to a tragic figure in her own right. London, 1849. Lizzie is plucked from the obscurity of a bonnet shop to model for the Pre-Raphaelite Brotherhood - an intoxicating group of young painters bent on revolutionising the Victorian art world. Inspired by their passion and ambition, she throws herself headlong into their lives and their art, nearly dying in the creation of Millais' famous work Ophelia. The painting is a triumph. But Lizzie wants more and dares to dream of being a painter herself. Falling for their charismatic leader Dante Gabriel Rossetti, she becomes his muse and his lover and, against the odds, succeeds in winning independence as a female artist. She even secures a sponsor - the great critic John Ruskin. But independence isn't always what it seems. Lizzie Siddal premiered at the Arcola Theatre, London, in November 2013.
