Reviews

Merely no terms to spell out. We have read through and i also am confident that i will gonna read yet again again in the future. You will not sense monotony at anytime of your own time (that's what catalogs are for about should you question me).

(Pasquale Larkin I)

THE CLASSICAL MANUAL: AN EPITOME OF ANCIENT GEOGRAPHY, GREEK AND ROMAN MYTHOLOGY, ANTIQUITIES, AND CHRONOLOGY; CHIEFLY INTENDED FOR THE USE OF SCHOOLS (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Classical Manual: An Epitome of Ancient Geography, Greek and Roman Mythology, Antiquities, and Chronology; Chiefly Intended for the Use of Schools Many excellent works have recently issued from the press, which, either separately or in the form of dictionaries, treat of the subjects of the following pages: and yet the want of an Epitome has been recognized, which would contain, in the compass of a single volume, of small size and moderate price, as much information upon such points as is calculated to elucidate the Greek and Roman authors usually read in the junior forms of our schools. It has been the object of the compiler of the present manual to supply this deficiency by introducing into it such details as are most likely to be useful (indeed much of which is absolutely necessary to the classical student) in so small a space as to admit of its being thoroughly mastered and retained. Although at first the requirements of junior forms were chiefly contemplated, yet in the progress of the work so much additional matter has been supplied as, it is hoped, will render it not unacceptable to more advanced students. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that...
