Rebellion. Paperback. Book Condition: new. BRAND NEW, Journal of the Plague Year: A Post-Apocalyptic Omnibus, Adrian Tchaikovsky, C. B. Harvey, Malcolm Cross, The Cull swept the world in the early years of the twenty-first century, killing billions and ending civilisation. Only a fortunate few, blessed with the right blood type, were spared. In the chaos of the Afterblight, scientists, priests - even armed robbers - may become leaders, or heroes. Three incredible writers, including the bestselling author of the Shadows of the Apt series Adrian Tchaikovsky, lead us into the apocalypse. In Malcolm Cross's *Orbital Decay*, the team in the International Space Station watch helplessly as the world is all but wiped out. Exiled from Earth by his blood-type, astronaut Alvin Burrows must solve the mystery of the "Pandora" experiment, even as someone on the station takes to murdering the crew one by one. In C. B. Harvey's *Dead Kelly*, fugitive and convict "Dead" Kelly McGuire returns from hiding out in the Bush to the lawless city of Melbourne. McGuire has three jobs to do: to be revenged on his old gangmates, to confront some uncomfortable truths about his past, and - ultimately - to discover his own terrible destiny. In Adrian Tchaikovsky's *The Bloody Deluge*, Katy Lewkowitz and her friend and old tutor Dr. Emil Weber, fleeing the depredations of the so-called New Teutonic Order, take refuge among the strangely anachronistic survivors at the monastery of Jasna Gora in Western Poland. A battle of faith ensues, that could decide the future of humankind.
