Summary: Ten years ago, their relationship was a scandal. . . Ten years later, it's forever. Readers who loved Reid and Kate in *Marking Time* wanted their happy ending. Here it is. The story left unfinished at the end of *Marking Time* picks up ten years later when Kate Harrington goes after the man she left behind when she set out to chase her dream of music superstardom. Now she has everything she ever wanted, except for the man she can't live without. What will Reid say when she shows up unannounced in St. Kitts, looking to reclaim their lost love? And what will Jack, Kate's father, have to say when he hears she's gone back to her first love, a man Jack once considered a friend? And what do you think will happen when Jill Harrington, Kate's sister, attorney and manager, faces off with Ashton Matthews, Reid's son, the same man who made life miserable for Kate many years ago? The sparks will fly when the Harrington, Matthews and O'Malley families gather in Nashville for a Christmas none of them will ever forget!.
