Brand New Book ***** Print on Demand *****.Excerpt from Mental Examination of Two Thousand Delinquent Boys and Young Men The material which furnishes the basis of this dissertation was worked out among the inmates of Indiana Reformatory through a period of three and one-half years. Subjects are male, varying in chronological age, with an occasional exception, from sixteen to thirty inclusive. The examination was given as soon after their arrival at the Institution as was deemed advisable for the best results. Usually a period of three weeks elapsed before the examination was given. This gave ample time for rest and composure and has proved satisfactory. As far as possible, the examination was avoided when the subject was for any reason, whatsoever, physically unfit. In case it became necessary to give the tests under unfavorable circumstances, a special classification was given and explanation noted. Ordinarily only one examination was given each subject, but, if for any reason, the first was unsatisfactory, then one or more subsequent examinations were given. In conjunction with the regular mental investigation, a detailed statement of personal, hereditary, and environmental data...
