Reviews

*This kind of book is every little thing and taught me to looking ahead of time and a lot more. I am quite late in start reading this one, but better then never. I found out this book from my dad and i encouraged this pdf to find out.

METALLIC LOVE

Spectra Books, United States, 2005. Paperback. Book Condition: New. 172 x 106 mm. Language: English . Brand New Book. In her now-classic tale *The Silver Metal Lover*, award-winning author Tanith Lee told the spellbinding story of Jane and her forbidden love for a robot named Silver. In this stunning follow-up, the legend of their tragic romance lives on. But nothing is as it was-or as it seems. As an orphan growing up in the slums, Loren read her clandestine copy of Jane's Story over and over, relishing every word. But Loren is no Jane. Savvy and street-smart, Loren could never be stirred by a man of metal, her passion never ignited by an almost-human-even one designed for pleasure. Still, when the META corporation does the unthinkable and brings back updated versions of robots past-Loren knows she must see Silver. And just like Jane, it is love at first sight. But Silver is now Verlis. If he was perfection before, he is now like a god. Yet he is more human than his creators think-or fear. While Loren doesn't quite trust him, she will follow her twice-born lover into a battle to control his own destiny-one that will reveal to her the most astonishing illusion of all.
