Reviews

Thorough information! Its this type of great go through. It is amongst the most incredible publication i actually have read through. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Germaine Welch)

WHY ARE CASTLES CASTLE-SHAPED?

Paperback. Book Condition: New. Not Signed; Philip Ardagh has a passion for history. During his numerous children's events over the years, he has been asked just about every conceivable question about castles and life in medieval times. Here he answers his favourite (printable) ones, in a similar style that made his book *Did Dinosaurs Snore?* a monster hit with pre-history fans. Everything from alchemy to the Crusades are covered in this entertaining and informative book, from 'Who built castles?','Where did everyone sleep?' and 'What's a lady's favour?' to the more obscure 'Did they have baths?' and 'Did they have toilet paper?'. There are black and white illustrations throughout as well as fascinating fact boxes and quick quizzes to test what you have learned. The reference section includes timelines, and a glossary and index. If the answer doesn't lie somewhere between these covers, then it probably isn't a castle question worth asking. book.
