Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Barbara s life was drastically changed after he police officer husband was killed in the line of duty. Yet once the formality of a police officer s funeral was over, she returned to life has she d known it. She d go to work each day at the law office where she had worked most her life, and return home again each evening. The difference was, Kent was no longer there to share it, and the dreams they d once had of filling the home with children were lost forever. After two years it was her pastor who suggested she make a change. He d insisted it would be healthy for her to do something entirely different with her life. She thought little of the suggestion until Ken s partner on the police force told her he was leaving the force and opening a security and private investigation agency. He wanted her to manage his office. Barbara agreed, thinking that simple change might be just what she needed. Except there was nothing simple about it. For the next several months it was one chaotic mishap after another. It might have been worthy of a sit-com based on their story, if it all hadn t been so sadly insane. But was this craziness exactly what Barbara needed? Her life would indeed never be the same.
