

Promoting Democracy in Postconflict Societies

By Jeroen de Zeeuw, Krishna Kumar

Lynne Rienner Publishers Inc. Paperback. Book Condition: new. BRAND NEW, Promoting Democracy in Postconflict Societies, Jeroen de Zeeuw, Krishna Kumar, Few would dispute the importance of donating funds and expertise to conflict-ridden societies - but such aid, however well meant, often fails to have the intended effect. This study critically evaluates international democratization assistance in postconflict societies to discern what has worked, what has not, and how aid programs can be designed to have a more positive impact. The authors offer a unique recipient perspective as they explore three dimensions of democracy promotion: elections, free media, and human rights. Drawing on the experiences of Afghanistan, Cambodia, El Salvador, Ethiopia, Guatemala, Mozambique, Rwanda, Sierra Leone, and Uganda, they suggest concrete ways in which the international community can better foster democratization in the wake of conflict.
