lulu.com. Paperback. Book Condition: New. Paperback. 90 pages. Dimensions: 9.0in. x 6.0in. x 0.2in. This book is written for those of you are looking for a job that has unlimited potential. As a telemarketer professional fundraiser, you can work your required hours or as many hours as you want in most call centers or work-at-home jobs. Ex-offenders have a very difficult time with the re-entry process. If you are trying to turn your life around, have good communication skills and computer skills, try telemarketing. For the people that we call, this book will serve as a mirror for you. After reading this book, perhaps you will reconsider the way you answer the phone when I call. It takes a lot more energy to be rude and mean. It take less energy to be engaging and gracious enough to say whether you choose to give; cant afford to give or are no longer interested. There is no excuse for willful ignorance. A bonus chapter is included with leads to legitimate work-at-home jobs. This item ships from multiple locations. Your book may arrive from Roseburg,OR, La Vergne,TN. Paperback.
