

Brain Injury and Returning to Employment: A Guide for Practitioners

Filesize: 5.05 MB

Reviews

*This pdf might be well worth a study, and a lot better than other. It really is simplistic but excitement inside the fifty percent in the book. Its been printed in an exceedingly straightforward way which is just after i finished reading this ebook through which really modified me, modify the way i believe.

JESSICA KINGSLEY PUBLISHERS, United Kingdom, 2005. Paperback. Book Condition: New. 210 x 136 mm. Language: English . Brand New Book. Brain Injury and Returning to Employment attempts to give the professional a broad introduction to dealing with clients who have suffered a brain injury of some sort. Although aimed at a wide range of professionals, from careers guidance workers through to social workers, the focus of the book is always on how the injury incurred affects the person s ability to return to work.This book certainly provides the reader with a thorough introduction to this complex area. The information provided is detailed and holistic; never does Japp focus on just the physical implications of an injury. He sees the injury in the broadest sense how it affects the person emotionally and then how this impacts on their ability to work.It provides good practical advice: for example, when to pass to other professionals, such as occupational psychologists. There is also an excellent section on health and safety that takes the guidance worker through the items that would need thinking about when helping a person back to the working world. - Newscheck Japp has a talent for cutting straight through to the heart of a particular problem for a TBI client and for their case manager. He helps us to understand the problem and offers practical suggestions.He describes the importance of introducing appropriate strategies to overcome potential difficulties. This is where Japp admirably fills the gap between the assessment and the practice. It is in this respect that Japp s book is so exceptional. He takes a factor such as concentration - a problem which the practitioner invariably encounters in cases of TBI - and he helps to unpick some of the difficulties in understanding its effects and how to help a...
