Reviews

*This publication is wonderful. I have got study and so i am confident that i am going to likely to read once again once more down the road. Its been designed in an exceedingly straightforward way which is only soon after i finished reading this ebook by which actually altered me, change the way i think.

THE BEAUTIFUL MONSTER

Xlibris Corporation, United States, 2008. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In this book we consider human interactions and interactions between physical particles as invariant, and in that regard equal, and the so-called no isomorphism argument will be refuted from future considerations. The train of reasoning, with respect to the argument, can be found in [6]. We believe there has to be some rigorous and effective way to walk about art, beauty, perception, consciousness, love, hatred, violence, etc. ., A way to connect the entire ambiguous universe together. In other words, there has to be an objective way referred to some differentiable topological manifold of n dimensions, where the dimension n can be a representation of any event, positive integer, whatever, or even zero, if we allow ourselves to think of a single point as constituting a O -manifold [9]. At any rate, the purpose of this book is dedicated to the search of the true objective of life and its representations of beauty, where all diversity of expression in the eye of the beholder, could be unified in a invariant gauge theory of perception setting the frame for a global holographic understanding of reality.
