Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 203 x 133 mm. Language: English . Brand New Book ***** Print on Demand *****.The Annunaki are the stuff of legends. Their history and that of the earth are intertwined. The Sumerians speak of a race of giant aliens from the planet Niburu, other tales tell of how a wandering planet Niburu collided with a giant planet Tiamat giving rise to Earth. Annunaki is a word that translates as Princely offspring and Those of royal blood according to ancient Mesopotamian mythology. Anu was the supreme deity of the Sumerian civilization and Ki was the goddess of the Earth. The Sumerians tell that the Annunaki are the children created by Anu on Planet Ki. The Annunaki were served by the Igigi until the Igigi revolted. It was then that the Annunaki created mankind to serve them. In the beginning mankind had no set lifespan and the population could only be controlled by flood, fire or pestilence. During the final deluge, the gods wept at the suffering of mankind, and so man was given a set lifespan. It was during this final deluge that the Gods wept at the suffering of mankind, and so man was given a set lifespan. It was during this deluge that Ziusudra (Noah) survived on the Ark. A story that lies in Atra-Hasis, the Epic of Gilgamesh and the Bible. They were the angels who watched over the Garden of Eden, they were a highly superior race brought down by their own arrogance. The tales are inconsistent, conflicting and endless. This book tells who the Annunaki are, how they have influenced our civilization and it tells of their return.
