CHAPTER I The scope of the afore-passed disputation, and what is remaining to treat of. In these controversies of the gods, some have held How can deities of both natures, good and evil: others (of better minds) did the gods that honour to hold them all good. But those that held the first, held the airy spirits to be gods also, and called them gods, as they called the gods, spirits, but not so ordinarily. Indeed they confess that Jove, the prince of all the rest, was by Homer called a damon. But such as affirmed all the gods were good ones, and far better than the best men, are justly moved by the arts of the airy spirits, to hold firmly that the gods could do no such matters, and therefore of force there must be...
