Reviews

*This book is great. I have go through and so i am confident that i will going to read through once again again in the future. I am just easily can get a satisfaction of looking at a written book.
(Miss Vernie Schimmel)*

SYNOPSIS OF THE BRITISH RUBI (CLASSIC REPRINT)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from Synopsis of the British Rubi It is only of late years that the fruticose species of Rubus have received the attention which they deserve: botanists were long contented to call them all *R. fruticosus* or *R. castus*, and the introduction by Smith of another name (*R. corylifolius*) must have appeared to be a very great innovation. Each of these is a collective species, by which I mean, one in which many forms, doubtless constituting truly distinct species, are included. Hence the great diversity in the mode of applying these names. All students of this very difficult genus are extremely indebted to Weihe and Nees v. Esenbeck for the publication of their splendid work the *Rubi Germanici* without which it would have been scarcely possible to attain that knowledge of Brambles which we now possess; and all will agree, that for extending our acquaintance with British Rubi no name justly stands so high as that of Borrer, to whom we owe the elaborate account of these plants contained in Hooker's *British Flora* (ed. 2 and 3), and the descriptions of many species in the eminently beautiful but far too little known *Supplement to English Botany*. Dr. Lindley, in his *Synopsis of the British Flora* (ed. 1), gave the specific characters of twenty-three species, mostly translated avowedly from the work of Weihe and Nees, but including several supposed to be undescribed. He states that he had attained his knowledge of them from plants growing in the garden of the Horticultural Society, and that he was satisfied that their distinctions are permanent and important. In his *Flora of Shropshire* Mr. Leighton has collected together the opinions of...
