

The Four Temperaments

Filesize: 3.33 MB

Reviews

This is actually the best ebook we have read till now. Indeed, it can be enjoy, nevertheless an interesting and amazing literature. You will not feel monotony at whenever you want of the time (that's what catalogs are for regarding should you question me).

(Jamar Stracke)

THE FOUR TEMPERAMENTS

Rudolf Steiner Press. Paperback. Book Condition: new. BRAND NEW, The Four Temperaments, Rudolf Steiner, "The two streams in the human being combine to produce what is commonly known as a person's temperament. Our inner self and our inherited traits co-mingle in it. Temperament is an intermediary between what connects us to an ancestral line and what we bring with us. Temperament strikes a balance between the eternal and the ephemeral." From personal spiritual insight, Rudolf Steiner renews and broadens the ancient teaching of the four temperaments. He explains how each person's combination of temperaments - with one usually uppermost - is shaped. Steiner gives lively descriptions of the passive, comfort-seeking phlegmatic, the fickle, flitting sanguine, the pained, gloomy melancholic and the fiery, assertive choleric. He also offers practical suggestions aimed at teachers and parents for addressing the various manifestations of the temperaments in children, as well as advice intended for adults' personal development. Also available as an Audio Book.
