This ebook will never be effortless to get started on studying but extremely fun to read through. It is actually written in easy phrases and never difficult to understand. It is extremely difficult to leave it before concluding, once you begin to read the book.

Tuttle Publishing, United States, 2010. Hardback. Book Condition: New. 190 x 132 mm. Language: English . Brand New Book. Life is full of adversities. There comes a time when education, social status, fame, fortune, and even family ties all become useless. At a decisive moment like this, the ability to focus one's entire being--to harness one's total spiritual and mental energy--is required for survival and success. In this book, Master Kazumi Tabata shares his knowledge in how to achieve this goal. When beginning any martial arts discipline, students study physical techniques. Your opponent moves in slow motion, whereas you move without thought, and you become unbeatable. In *Mind Power: Secret Strategies for the Martial Arts*, Kazumi Tabata, Grandmaster in the Shotokan and Shorinji styles of Karate, offers his personal teachings as to how martial arts students can reach the point where time seems to slow down, quick movements are seen in slow motion, and the full potential of one's inner power can be harnessed.
