## APA College Dictionary of Psychology

By -

American Psychological Association, United States, 2016. Paperback. Book Condition: New. 2nd Revised edition. 229 x 152 mm. Language: English . Brand New Book. APA offers the second edition of its popular, compact, and economical student's dictionary. With some 5,500 entries - more than 500 more than the original edition - the second edition continues to feature clear and authoritative definitions that provide basic coverage from across 90 sub-disciplines of psychology. Special emphasis is concentrated on the fields that are typically encountered in undergraduate studies, such as general, personality and social, lifespan developmental, abnormal, and cognitive psychology. Moreover, basic coverage of neuropsychology and of statistics and methodology have been enhanced for the second edition, and two helpful appendixes have been included: Abbreviations and Acronyms and Symbols. This second edition is a reliable resource that answers the needs of both advanced placement high school students and college undergraduates, whether they are taking psychology as part of a broader curriculum or making it their major field of study.
